California Dreaming - Friday, July 9th 5:00pm -7:00pm

California accounts for 90% of American wine produced and, if it were a country, would be the world's 4th largest wine producer. Needless to say, there are a lot of wines to sort through, from to buttery oaked Chardonnays to the Napa Cabs and spicy Sonoma Zinfandels. We'll explore a wide range of different varietals and regions, while keeping American BBQ traditions in mind. As per usual we'll pair some eats with these selections.

Here's a preview of some of the wines you'll taste that evening:

2006 Francis Ford Coppola Director's Cut Chardonnay, Russian River Valley...**\$36.50**

2007 Neyers Merlot, Conn Valley-Napa Valley...**\$49.50**

2007 Seghesio Old Vine Zinfandel, Sonoma...**\$53.75**

\$20/person at the door. Please [RSVP](#).

iSalud! Saúde! A toast to Spain and Portugal - Friday, July 23rd 5:00pm -7:00pm

This past February a group from Bishop's Cellar traveled to Spain and Portugal with the goal of returning with some wonderful new selections from these under-represented regions. Although Thomas has since moved on, we can thank him for his contribution in selecting these wonderful wines from the Iberian Peninsula that we will showcase this evening. We will also be serving lovely Spanish tapas to compliment these new selections.

\$10/person at the door. Please [RSVP](#).

After Dinner Drinks: "Beer and Pizza" - Thursday July 29th 7:00pm - 9:00pm
